

Electric Hoist Load Testing & Certification

. . . At Your Shop or Ours!

Hamilton Blake, LLC

"Safety Solutions"

Las Vegas, Nevada

Hamilton Blake, LLC offers quality Motor Repair, Load Testing and Certification.

For only \$85.00 per motor, we will provide full inspection, load testing, and annual certification for your electric hoists.

Your motor fleet is important to you. We are here to help you keep your motors up and running—ready for the next job!

We look forward to servicing your electric hoists — both entertainment and industrial!

Our certified, experienced technicians are capable of servicing and certifying CM, Chainmaster, Stagemaker, Verlinds and Harrington hoists.

Chainmaster Motors

Columbus McKinnon Motors

Our certified technicians are effective diagnosticians in all aspects of motors—capable of changing out electrical and mechanical parts, replacement of chain, and any other repairs needed to electric hoists.
