

"All Access" Lift to 102 Ft. Las Vegas, Nevada

Custom lift trailer included, rents with or without operator

Our latest addition for rental is the Ommelift All Terrain Aerial Lift which reaches up to 102 feet. This makes getting up there easy and quick!

We specialize in unusual, unique, interesting, sometimes strange, and extraordinary projects and those capabilities extend to the new equipment we have available to rent

**Access
Made Easy
and
Affordable**

Uses: Inside buildings, stadiums, casinos, lobbies, window cleaning projects, rockfall mitigation, construction, repair work, all difficult access sites—indoors & outdoors

To get where you must go, **inside or outside**, rent our Omme Lift Model 3000R —**maximum working height of 102 feet, 41 foot maximum side reach, with 440 lbs. basket load.** With a rotation of +/- 400 degrees, your access will get the job done quickly and efficiently

Transportable & Compact Measurements: Width: 3'8" Length: 26'3", Height: 6'7", variable spread outriggers, diesel and battery powered, easy operation, rubber tracked undercarriage, can traverse soft muddy terrain, hilly lawns and delicate indoor surfaces of all types. Weight: 8,305 lbs. **Call 702-307-4477 for full details** on the Omme 3000R Lift.
