

BRINGING SAFETY, TECHNOLOGY AND TRAINING TO YOUR PROJECT

We specialize in the installation of life safety systems such as vertical and horizontal lifelines and other fall protection systems for new construction and retrofit of existing buildings. These products and systems are required inside and outside of facilities and buildings - and must meet the appropriate OSHA/ANSI standards. All systems are 100% compliant with OSHA/ANSI Standards and come with full warranties from both the manufacturer and installer.

Hamilton Blake, LLC is a licensed contractor in Nevada, Arizona and California.
